Release Plan
Perfect Gift
Team Name: The Gifters
Version 1.0 -- Planned: March 9th, 2021
Revision 2 (1/26/2021)

Contributors

Carlos Viche, Claire Ruffing, Kelsy Lee, Sean O'Byrne, Venus Ku

High Level Goals

- Be able to fill out a questionnaire about the user's interests.
- Be able to let users login to view/edit their profile (contains questionnaire responses and wishlist).
- Be able to provide gift suggestions to users based on the giftee's interests/questionnaire responses and wishlist.

User Stories

Sprint 1

Story Points	Story
3	As a user, I want to get to a homepage when I visit the website.

Sprint 2

Story Points	Story
3	As a user, I want to create an account where I can answer the questionnaire based on my interests (on login page).
5	As a user, I want to be able to sign in with a username and password so that I will be able to see my personalized homepage/profile.
1	As a user, I want to have access to my user profile so that I can edit my profile (just username for now) when I want to.

Sprint 3

Story Points	Story

2	As a user, I want to be able to edit my questionnaire responses so that it will reflect what I currently like.
3	As a user, I want to be able to write and add gifts to my wishlist and save it to my profile so other users can see what I like.

Sprint 4

Story Points	Story
8	As a user, I want to be able to search by username so that I can find gift suggestions based on another user's interests/questionnaire responses and wishlist.

Product Backlog

- see how many people have gifted a certain gift
  - can see what gifts are popular
- reorder my wishlist based on which gifts I want more
  - another user can know what gifts I want the most
- Secret Santa Feature
  - Users should be able to be placed in groups
  - When group is ready, group owner can trigger sorting and be given a random user within the group
  - Each user is assigned another user to get a gift for and can see that user's gift suggestions based on their interests
- App reminds user to get the gift when the giftee's birthday or a special holiday is approaching (example: 10 days before the special date)
- User can rate how much the giftee liked the gift
  - Helps other users determine if they want to buy that gift for someone
- Show checklist of who's buying what for a person
- User can input price limit
